Overall **RESERVE SUPREME CHAMPION**

**SOLOMON** is proving to be a most exciting young sports stallion. He has correct conformation coupled with a good depth of shoulder. In his walk, he has good rhythm and swing, shows excellent lift and suspension in his trot, and steps under well.

Solomon has fantastic engagement and great athleticism. He is strong in the hocks with big movement, and a powerful second thigh. He has a lovely temperament, with a calm and sensible manner.

**SOLOMON**

Millenium

**SIRE; MILLENIUM**, is one of the most successful competition stallions ever to stand in the UK. His performance record is arguably the best for any dressage stallion. At his grading he scored all 9s for ride-ability;scope;quality and movement. He is graded **ELITE with SHBGB**

**DAM; WANSTEAD DARK SECRET**, is by the dressage stallion **DUET** (Polish Warm Blood) who competed successfully up to medium level dressage. Dark Secret has competed at novice level dressage and has had much enjoyment and success competing at cross country. She is 100% in every way and her kind and gentle demeanour is very evident in **SOLOMON**

We have had an exceptional Colt last year from **SOLOMON**

**(ARAMIS X)** who has been shown in hand, gaining **SHBGB IN HAND CHAMPION**

**SOLOMON'S** excellent paces are definitely being passed on to his progeny as well as his level headedness!
