Competing dressage with joint owner Tor Williams
1997, Hanoverian 16:2hh{168cm}, bone 23cm

- **BWBS graded 2001**
- **Superb dressage pedigree:
Regazzoni X Wandersmann XX**

Regazzoni progeny have been very popular at auction in both Germany and in the UK. Such as the **Equilibra** specialist dressage sale where **Rhum, Ronaldo and Woodlander Rio Negro** have all featured in the top lots [£20,000-£22,000] – Rhum performing impressively in 2001 Equilibra Dressage Challenge as runner-up by only 0.3 of a mark.

Wandersmann is sire of **Wales**, which sired **Prince of Wales** – Michael Whitaker's International and Olympic showjumping horse.

A STUNNING EXAMPLE of an elegant modern stallion; possessing, under saddle, uphill elastic movement required for top-level dressage. He performs his expressive movements with ease and grace in **absolute** straight gaits. This eye-catching horse exhibits great intelligence and has exceptional presence.

He has a SUPER PEDIGREE for a talented and prepotent dressage sire, combining some of the best specialist dressage bloodlines in the world in a pedigree that links him to over 150 graded stallions in the first three generations.

Young progeny have been successfully shown in-hand gaining Champion and Supreme Champion titles. Oldest progeny are rising 5 year olds and owners eagerly await performance under saddle.

Westpoint Razzmatazz, owned and ridden by Tor Williams, is a stunning 16hh, 5 year old bay gelding who has recently started to compete. He has gained over 70% in most of the tests in which he has competed. With three uphill paces, fantastic temperament and being so easy to train that he entered his first competition within 6 weeks of being broken and placed 3rd. He will certainly be one to look out for in the future.
